## 2018 Cabernet Sauvignon

COONAWARRA

**HUNTER AND Blich - CHRIS KELLY - MARCH 2023**

---

“There’s no denying that autumn and Australian red wine goes hand-in-hand. Thankfully, Hollick that’s based in South Australia’s Coonawarra region, has made our fall that bit more pleasant with their Cabernet Sauvignon. Created by winemaker Jordan Cory, this seasonal wine is packed full with a bouquet of ripe berry, subtle chocolate and spice. Best paired with beef casseroles featuring a plethora of ingredients such as mushrooms, rosemary and garlic.”
