REVIEWS

Wine Enthusiast US - Christina Pickard - January 2024 - 88 Points

"Intense aromas of grilled nuts and flint dominate the nose, followed by creamed corn and peach nuances. The mid-weight palate offers textural interest, lively acidity and sweet, toasty oak to the long finish."

The Real Review - Aaron Brasher - February 2022 - 90 Points

Ranked #1/20 SA Chardonnays

"White peach, nectarine, white flowers, vanilla, spice and green melon aromas. Mid-weight, plenty of white stone fruit, nutty oak and a lick of grapefruit pith. Textured, layered and long, this is a really smart wine for the price."
