LONG ROW

2023 MOSCATO

SOUTH AUSTRALIA

VINEYARD

The grapes for this wine were sourced from Angove family vineyards and other premium regional growers. Soils are predominantly red sandy loam over limestone, on gently undulating east west ridges.

Vintage 2023 brought both challenges and triumphs to the picturesque wine region of the Riverland in South Australia. As the grapes ripened under the warm Australian sun, winemakers faced unpredictable weather patterns and viticultural obstacles, including the largest flood of the mighty Murray River in 50 years, yet emerged with a vintage that showcased their resilience and craftsmanship. Yields were well down on regional averages leading to intense flavours in the grapes.

WINEMAKING

Harvested during the cool light of dawn to ensure no loss of flavour intensity, the fruit was then transported to the winery and pressed using modern membrane tank presses. After settling the cold clear juice was carefully racked and inoculated with selected yeasts. Slow, controlled fermentation was followed by minimal handling filtration and bottling at the Angove Estate.
