2019 SAUVIGNON BLANC

SOUTH AUSTRALIA

VINEYARD

The grapes for this wine were carefully grown in the Angove family's Nanya Vineyard and carefully selected growers in the region.

Vintage 2019 started normally following a dry, yet cool, uneventful spring. As harvest progressed this changed and an unprecedented heatwave in early January caused the vines to shut down for a couple of weeks. With decades of experience in the region our vineyard team was well prepared and provided the vines with adequate water prior to this, ensuring healthy full canopies and fruit that was unaffected by this extreme weather event. As the weather moderated into February the vines awoke from their slumber and ripened the fruit to perfection.

WINEMAKING

Picked late at night to harvest the grapes as cold as possible the grapes were transported to the winery and immediately pressed using modern membrane tank presses. After cold settling the clear juice was carefully racked to cooled fermentation tanks and inoculated with selected yeasts. Cool fermentation was followed by minimal handling, filtration and bottling.
