2023 MOSCATO
SOUTH AUSTRALIA

VINEYARD

The grapes for this wine were sourced from the meticulously attended Angove family vineyards and other premium growers. Soils are predominantly red sandy loam over limestone, on gently undulating east west ridges.

Vintage 2023 brought both challenges and triumphs to the picturesque wine region of the Riverland in South Australia. As the grapes ripened under the warm Australian sun, winemakers faced unpredictable weather patterns and viticultural obstacles, including the largest flood of the mighty Murray River in 50 years, yet emerged with a vintage that showcased their resilience and craftsmanship.

WINEMAKING

Harvested during the cool light of dawn to ensure no loss of flavour intensity, the fruit was then transported to the winery and pressed and cooled. After settling the cold clear juice was carefully removed and inoculated with selected yeasts. Slow, controlled fermentation to preserve the lovely flavours and aromas was followed by minimal handling, filtration and bottling at the Angove Estate.
