## 2021 CABERNET SAUVIGNON SOUTH AUSTRALIA

### VINEYARD

The grapes for this wine have been carefully nurtured in our Certified Organic Nanya Vineyard near Paringa, South Australia. The free draining loam over limestone soils, copious sunlight, warm days and cool nights provide ideal conditions for cultivating flavour packed organic grapes.

We view the vineyard as more than just the source of our grapes. It is a holistic system of interconnected organic prosperity. The vine is important, but it is the health of the entire environment that provides the best tasting grapes.

At no stage during the grape growing and winemaking of Naturalis Organic wines have we used any synthetic pesticides, herbicides, fungicides, fertilisers or inputs of any kind. Everything we use comes from nature, pure and clean.

### WINEMAKING

2021 has been heralded by many in Australia as a “unicorn” vintage – often spoken about but rarely, if ever, seen. Perfect growing weather, cool maturation and a steady and trouble free harvest. Yields were back to normal and while summer 2019–20 was the second hottest on record, 2020–21 was the coolest in 10 years under the influence of a La Niña climate pattern. South Australia had its coolest summer in 19 years and the wines from this vintage are exceptional.

Clear Autumnal skies during the critical picking time in late February and March resulted in fruit which shows strong varietal characters of black cherry jam and plum.

The grapes were harvested in the cool of night and took the short journey to our century old winery where they were immediately crushed and allowed to macerate before inoculation and fermentation. Pressed off skins a week later, only the free run and soft press juice was retained. 12 months maturation before selecting the best parcels and blending, the wine was bottled on our Certified Organic estate.

### TASTING NOTES

Rich, deep red with magenta hues. Aromas of black currant, plum and sandalwood precede a soft, full palate that adds chocolate, black cherry and refined oak characters to the mix.
