

Naturalis ORGANIC

2021 PINOT GRIGIO
SOUTH AUSTRALIA

VINEYARD

This single vineyard wine has been sourced from our Certified Organic Nanya Vineyard near Paringa, South Australia. The moderately fertile soils, abundant sunshine, warm days and cool nights are perfect for growing flavour packed organic grapes with which to craft this exciting new, flavourful range.

What a Vintage! Following all of the challenges 2020 threw at us it was satisfying to enter the 2021 season with our vineyards in near perfect condition and Mother Nature smiling down on us. Good winter rains set the vines up for the perfect start to the growing season with mild conditions continuing through from budburst to flowering. This allowed for good, even fruit set and low disease pressure. As the fruit ripened on the vine we knew we would be crafting the best wines of the decade (it is year 1 after all).

At no stage during the grape growing and winemaking of Naturalis Organic wines have we used any synthetic pesticides, herbicides, fungicides, fertilisers or inputs of any kind. Everything we use comes from nature, pure and clean.

WINEMAKING

Perfectly ripened Organic Pinot Grigio grapes were picked at night to ensure they were as cool as possible to minimise any oxidative spoilage. Pressed immediately upon arrival at our Certified Organic winery the cloudy free-run juice was allowed to settle any “solids” and the clear juice was removed and fermented under temperature controlled conditions to preserve the delicate aromas and flavours in the wine. After a short period in a cooled stainless steel tank the wine was gently filtered prior to bottling in our own Certified Organic winery.

TASTING NOTES

Crystal clear with a faint gold hue. Aromas of honeysuckle, pear and white nectarine lead to a palate that flows from these and combines them in a delicate, refreshingly crisp wine.

Cellaring A “drink young’ style

Goes with A fresh [Nicoise Salad](#) or [Sichuan-style Asian greens stir-fry with crispy tofu](#)
