

Naturalis ORGANIC

2022 ROSÉ
SOUTH AUSTRALIA

VINEYARD

Grapes for this wine have been entirely sourced from our Certified Organic Nanya Vineyard near Paringa, South Australia. Coming off a bumper crop in 2021, we knew that yields from 2022 were going to be down. This was exacerbated by a cool spring, and hailstorms in November. Despite this, the mild summer temperatures, abundant sunshine and lack of rainfall created a perfect harvest season – steady ripening across whites and reds aided fruit intensity and flavour development, while cool nights meant acids remained intact. While yields are down, quality is exceptional, resulting in fantastic wines.

We view the vineyard as more than just the source of our grapes. It is a holistic system of interconnected organic prosperity. The vine is important, but it is the health of the entire environment that provides the best tasting grapes.

At no stage during the grape growing and winemaking of Naturalis Organic wines have we used any synthetic pesticides, herbicides, fungicides, fertilisers or inputs of any kind. Everything we use comes from nature, pure and clean.

WINEMAKING

The harvesting of our Organic Shiraz grapes occurred in early February when they displayed good sugar and flavour ripeness but also some crunchy acidity that is vital when crafting refreshing Rosé. After a short period “on skins” to provide just the right colour the slightly pink free-run juice was extracted using delicate membrane presses at our Certified Organic winery and transferred to cooled tanks. Once the wine had settled and the heavy solids had been removed fermentation occurred under controlled conditions. This alluring certified organic wine has then had minimal handling prior to filtration for bottling at our Certified Organic winery.

TASTING NOTES

Soft carnation pink with aromas of watermelon, strawberry and a hint of citrus precede a full flavoured palate that finishes with freshness and length.
