McLAREN VALE

### REVIEWS

**91 POINTS | Halliday Wine Companion - Ned Goodwin - November 2022**

"Lilac, molten licorice, purple pastille and a rim of minty tannins, firm and classical of orientation. Sort of like a Mediterranean cabernet, but a little looser around the edges. Fun drinking."

**90 POINTS | The Real Review - Stuart Knox - September 2022**

"Deep and vibrant ruby-red colour. Blood plum and dark chocolate aromas. Rich and full-bodied with a plush black fruit accentuated with dark chocolate and cured-meat savoury interest. Tannins are persistent in a fine-grained framework and it has good length and drive. Good value and will age well."
