
WILD OLIVE

ORGANIC ROSÉ 2021

McLAREN VALE

VINEYARD

Sourced from our organic and biodynamic Warboys vineyard in McLaren Vale. All our vineyards are managed as individual ecosystems, using sustainable and organic processes, no synthetic inputs and a particular focus on soil health, as healthy soils produce exceptional grapes that make delicious wines. Biodiversity within the vineyard provides us with natural pest predators and weed suppressors, keeping our vines happy and healthy and ensuring every bunch has incredible balance, flavour, and colour.

VINTAGE

Good winter rain set the vines up for a perfect start to the growing season. Ideal conditions prevailed through budburst to flowering, ensuring even fruit set and low disease pressure. The relatively mild weather continued through veraison and into ripening, with only a handful of days over 35°C, allowing the development of excellent flavour and colour. Harvest began in late February and continued into late March with the grenache, carignan, and shiraz picked at optimum ripeness for Rosé, from our organic Warboys vineyard.

WINEMAKING

Hand-picked in the cool early morning, crushed, chilled, and pressed on immediate arrival at our small-batch winery. The soft pink free run juice completed fermentation in cooled tanks and was then racked off lees, lightly filtered, and bottled on-site.
