Estate Sauvignon Blanc 2022

Varietal: Yarra Valley Sauvignon Blanc

Tasting Notes:

Floral notes of white roses and citrus blossom. There's a flinty mineral edge with some feijoa too. The palate is quite tight and saline with flinty chalk and super bright with zesty grapefruit. There is plenty of length and presence that will unfurl more with time.

Viticulture Notes:

Our winemaking philosophy is to produce the best fruit possible in the vineyard and allow the wines to express the individuality of the vineyard and each growing season. The grapes for this wine were handpicked with viticultural practices based around maintaining balance in the vineyards, sustainability and responsiveness to changing environmental conditions.

2022 will be remembered for the tiniest yields in a decade resulting from poor flowering conditions in our parts of the Yarra Valley. The quality of the resultant wines of this vintage however are outstanding with both concentration and finesse.

Harvest: Picked on the 9th and 17th of March
Vinification & Elevage: Crushed and pressed to a combination of aged French oak puncheons and barriques for fermentation. On lees for 3 months without any additions aside from minimal sulphur at blending for bottling.

Technical Data:
Alcohol 13%
Contains Sulphites
Vegan Wine
