Latitude Chardonnay 2022

Tasting Notes:

This Chardonnay is filled with white peach, cashew, pastry notes and vanilla spice. The palate echos the nose with stone fruits, limey acidity and delicious creamy feel. The low crops have amplified the concentration here. Unmistakably Yarra Chardonnay from another quality vintage.

Viticulture Notes:

Our winemaking philosophy is to produce the best fruit possible in the vineyard and allow the wines to express the individuality of the vineyard and each growing season. The grapes for this wine were with viticultural practices based around maintaining balance in the vineyards, sustainability and responsiveness to changing environmental conditions.

2022 will be remembered for the tiniest yields in a decade resulting from poor flowering conditions in our parts of the Yarra Valley. The quality of the resultant wines of this vintage however are outstanding with both concentration and finesse.
