## Rochford Latitude Sauvignon Blanc 2022

Variety: Yarra Valley Sauvignon Blanc

### Tasting Notes:

The nose opens with Tahitian lime and kiwifruit that gels with flinty notes and some savoury complexity. The palate is juicy, again the kiwifruit is there as is passionfruit with nice freshness in its easy-going style.

### Viticulture Notes:

Our winemaking philosophy is to produce the best fruit possible in the vineyard and allow the wines to express the individuality of the vineyard and each growing season. The grapes for this wine were picked with viticultural practices based around maintaining balance in the vineyards, sustainability, and responsiveness to changing environment conditions.

2022 will be remembered for the tiniest yields in a decade resulting from poor flowering conditions in our parts of the Yarra Valley. The quality of the resultant wines of this vintage however are outstanding with both concentration and finesse.
