## Rochford Latitude Shiraz 2021

Variety & clone: PT23 Shiraz

### Tasting Notes:

The nose leads with lifted red fruits, spiced plum and some cracked pepper. On the palate this Shiraz is immediately accessible with perky red plums, red liquorice and gentle rocky tannins.

### Viticulture Notes:

Our winemaking philosophy is to produce the best fruit possible in the vineyard and allow the wines to express the individuality of the vineyard and each growing season. The grapes for this wine were handpicked with viticultural practices based around maintaining balance in the vineyards, sustainability and responsiveness to changing environmental conditions.

2021 was a welcome return to ideal growing conditions here in the Yarra Valley. A prolonged, classical season allowed for brilliant definition of flavour across our range.

**Vinification & Elevage:** Fruit was partially destemmed as whole berries, with 30% as whole bunches. A short cold soak prior to fermentation and on skins for 14 days. The wine was pressed to seasoned French oak for malolactic conversion on lees and in oak for 10 months.
