TASTING NOTES

COLOUR	Deep, amber-hued, its warm and inviting colour hints at the enticing blend of aromas and flavours that await.
AROMA	Classic ginger notes from the base wine greet you, offering a spicy and earthy character seamlessly complemented by the luxurious essence of dark chocolate. Just beneath the surface, the bright and zesty fragrance of oranges lifts the bouquet, adding a lively and refreshing element.
FLAVOUR	The ginger's robust kick is softened by the smooth embrace of dark chocolate, which coats the tongue with a rich, bittersweet sensation. Amidst these layers, the vibrant orange provides a burst of citrusy brightness, adding a refreshing contrast to the depth of the chocolate and the warmth of the ginger. The finish is spicy and gently warms the throat, leaving a satisfying and invigorating sensation. The chocolate's subtle sweetness carries through, leaving behind a soft, cocoa-infused memory. The orange, on the other hand, leaves a zesty and invigorating note that uplifts the senses and provides a refreshing conclusion to each sip.
