CLOSURE: Screw cap

VINEYARD LOCATION: Castambul, Balhannah

VINEYARD ALTITUDE: 380 metres

ADDITIVES: Preservative (220)

WINEMAKING PROCESS

We harvest our Pinot Gris in the cool of the night when the fruit is cool and fresh. (It looks a bit like the aliens have landed with the lights of the harvester shining down the hillside). The grapes are then crushed and pressed at the winery for a cool slow ferment.

WINEMAKING NOTES

This Pinot Gris displays aromas of pear and white peach, the finely textured palate is well balanced, leaving a clean and crisp finish.
