CLOSURE: Screw cap

VINEYARD LOCATION: Charleston

ADDITIVES: Preservative (220)

CLONE: Bernaud 76 & 95

OAK: 100% French, 30% new

WINEMAKING PROCESS

Meticulously handpicked on a crisp, autumn morning to maintain freshness and chilled for up to 48 hours. The fruit is then delicately tipped from the bin to the press for whole bunch pressing. The juice is then transferred directly to barrel for fermentation.

WINEMAKING NOTES

This Chardonnay delivers a sophisticated nose and a lavish palate of nectarine and citrus. Perfectly balanced acidity is complemented with a creamy French oak finish. This elegant wine will develop further complexity over the next 5-7 years.
