---

### **WINEMAKING PROCESS**

Our Shiraz is hand-picked and crushed into small open top fermenters and fermented on skins for a minimum of 10 days. Once fermentation is completed it is pressed and transferred to barrel. Barrel maturation is for 12 months in French Oak Barriques, which 30% is new.

### **WINEMAKING NOTES**

This Shiraz has a vibrant deep red colour with aromas of plum and blackberry. The palate has Spice, plum and dark fruits, firm structured tannins complete a fully rounded and long palate.
