Halliday Wine Companion - Marcus Ellis - February 2024 - 91 Points

"From three sites suited to the three components, with the grenache from Blewitt Springs. Basket pressed to 2-to-3-year-old French puncheons for 12 months elevage. This hits the target for a juicier Vale take on a bistro-style Cotes du Rhone. The grenache ripples with red fruits, raspberry, cherry, cranberry. There's a bit more meat from the shiraz and mourvedre, along with the latter's more rugged, savoury tones, and the freshness is admirable. Delicious, fulsome everyday drinking."
