## FAMILY CREST

### 2017 Grenache Shiraz Mourvedre

McLAREN VALE

**JAMES HALLIDAY WINE COMPANION - 27.02.19 - 93 POINTS**

“Excellent colour and depth; the varieties were fermented separately and each makes its own contribution, grenache the evocative bouquet of spicy red fruits, shiraz the richly textured mid-palate of plum, and the mataro fine but purposeful tannin structure. Great Value.”

**ADELAIDE ADVERTISER - TONY LOVE - 25.07.18 - 4 STAR**

“From the Angove family Crest range, this is a pretty impressive bottle of wine for the price, bringing all the GSM elements to the table. It starts with good fragrance in the spicy floral spectrum, then easily merges with a juicy black cherry-like set of flavours while a little meaty spice and broth in the finish and a dusty, fine, sandy grittiness gives the palate some determination as well. These characters woven together with balanced smart GSM harmonies is all good at the table too.”

**GOOD FOOD - RALPH KYTE POWELL - 20.07.18 - 90 POINTS**

“Centred on McLaren Vale grenache in a traditional three-way blend, this is a generously built wine with a nose of ripe berries, plums and spice, touched by regional rustic earthiness. Flavoursome, round and complete, it's easy to drink with easy, ripe tannins underneath”

**FINE WINE CLUB - BARRY WEINMAN - 16.06.18 - 17.9 POINTS**

“The rich red berry fruit was a little subdued initially, but this blossomed after a couple of days in the bottle! The dense, ripe fruit is textured and long, with mid-palate minerality, bright acidity and supple oak adding depth. A powerful wine that could be enjoyed with a hearty steak now, but would be best with 10 years in the cellar.”

**WINE SPECTATOR - MARYANN WOROBIEC - 27.04.18 - 89 POINTS**

“Aromatic upfront, with rosemary, sage and roasted garlic flavors that add a savory edge to the velvety core of blackberry, cherry and plum notes, finishing with hints of nutmeg-led spice. Grenache, Shiraz and Mourvèdre.”
