Reviews & Awards

2013 Bond Road Chardonnay

COONAWARRA

JAMES HALLIDAY WINE COMPANION - 01.06.2016

"A bold, rounded style, with partial malolactic fermentation adding complexity to the fresh and vibrant primary fruit flavours of green apple and white peach, but also more textural hints of nectarine and pear. The whiff of struck flint denotes a mineral grip that keeps the palate taut, with lively acid keeping the fruit colours bright."

FINE WINE CLUB - BARRY WEINMAN - 15.02.16

"Creamy, with complex nutty notes. The fruit is quite rich and accessible on the palate, with decent texture and lemony acid. There is good length and hints of toast on the finish. Excellent drinking now."

JAMES HALLIDAY WINE COMPANION 2016 - 93 POINTS

"Ambiguously '8 months partial barrel fermentation in new French oak'. Whatever that means, the wine has good balance, length and mouthfeel, with clear-cut stone fruit flavours, the oak subtle and well integrated."
