Green Ginger Wine

SOUTH AUSTRALIA

VINEYARD

Produced in England since 1740, Stone's Original Green Ginger Wine has been made in Australia to the same ancient formula since the early 1960's.

WINEMAKING

Ginger is one of the oldest herbs known to man and is popular in oriental cooking and confectionary. Ginger has also been linked with many therapeutic values. The character of the ginger is drawn out by infusing it for an extended period. This infusion is then added to a neutral dry white wine, before it is then blended further with other components to make one of the varieties of wines under the "Stone's" family label.

TASTING NOTES

COLOUR	Rich golden brown.
AROMA	A powerful pungent ginger aroma.
FLAVOUR	This spicy character follows on the palate where its zest is quite noticeable, but moderated by a softening sweetness.

HAVE IT WITH ...
