### 2017 Julia Semillon HUNTER VALLEY

**JAMES HALLIDAY WINE COMPANION 2018 - 96 POINTS**

“While the appeal of youthful Hunter semillon can be a mystery to the uninitiated, after 5 years or so, the wines take on a luminescence of hue and lanolin that grows into an alchemical complexity within a decade or more. This is an exceptional wine boasting compelling vinosity underlain with saliva-inducing acidity and a filigreed transparency that will, I promise, transform the elemental citrus notes into truffle, lanolin and lemon drop glory.”
